### **Forward-Looking Statements**

Certain statements in this press release or otherwise made by our management in connection with the subject matter of this press release may include forward-looking statements (as such term is defined in the Private Securities Litigation Reform Act of 1995) and involve risks and uncertainties and are subject to change based on various important factors. These statements are not historical in nature and can generally be identified by such words as "target," "may," "might," "will," "objective," "intend," "should," "could," "can," "would," "expect," "believe," "design," "estimate," "continue," "predict," "potential," "plan," "anticipate" or the negative of these terms, and similar expressions. Management's expectations and assumptions regarding future results are subject to risks, uncertainties and other factors that could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements included in this press release. These risks and uncertainties include but are not limited to: our ability to successfully maintain increases in our comparable restaurant sales and average unit volumes; our ability to successfully execute our growth strategy and open new restaurants that are profitable; our ability to expand in existing and new markets; our projected growth in the number of our restaurants; macroeconomic conditions and other economic factors; our ability to compete with many other restaurants; our reliance on vendors, suppliers and distributors, including our parent company Kura Sushi, Inc.; concerns regarding food safety and foodborne illness; changes in consumer preferences and the level of acceptance of our restaurant concept in new markets; minimum wage increases and mandated employee benefits that could cause a significant increase in our labor costs; the failure of our automated equipment or information technology systems or the breach of our network security; the loss of key members of our management team; the impact of governmental laws and regulations; volatility in the price of our common stock; and other risks and uncertainties as described in our filings with the Securities and Exchange Commission ("SEC"). These and other factors that could cause results to differ materially from those described in any forward-looking statements contained in this press release can be found in the Company's other filings with the SEC. Undue reliance should not be placed on forward-looking statements, which are only current as of the date they are made. The Company assumes no obligation to update or revise its forward-looking statements, except as may be required by applicable law.
